This diagram shows a cross-sectional view of a multi-layered structure. The layers are labeled with reference numerals: 212, 213, 214, 29, 26, 27, 28b, 28a, 24b, 23, 24a, 25, 22, 10, 25, 27, 31, 32, 34, 33, 12, 11, 30. The structure consists of several horizontal layers with various features and patterns. The top layer is labeled 212. Below it is layer 213, which contains features 29, 26, and 27. Layer 214 is the next layer, containing features 28b and 28a. Below layer 214 is layer 29, which contains features 24b, 23, 24a, 25, and 22. The bottom layer is labeled 10, which contains features 25 and 27. The structure is shown in a perspective view, with the layers and features extending into the background.
